## NOTICE OF ELECTION

In conformance with its Constitution and Bylaws, as well as the Labor Management Reporting and Disclosure Act of 1959, and the Constitution of the IATSE, notice is hereby given that Affiliated Property Craftpersons, Local 44, IATSE, will be conducting its triennial election for officers during the months of March and April, 2010. Pursuant to Article IX of the Local's Constitution & Bylaws, the election process will be overseen by the Local 44 Election Committee.

The offices subject to this election are: President, Vice-President, Business Agent, Secretary-Treasurer, Sergeant-At-Arms, 2 Representatives from 4 Crafts (Coordinators, Prop Masters, Set Decorators, and Special Effects), and 3 Representatives from the other Crafts (Property and Propmaker). Additionally, there are 3 Trustee positions and 1 Delegate for Conventions of the IATSE from each of the 6 Crafts that are subject to the election. Those elected to the offices of President, Secretary-Treasurer and Business Agent serve as delegates to Conventions of the IATSE by virtue of their office.

There are also 12 Alternate positions open in this election. There is an Alternate for each of the 6 Craft Executive Board Representative categories, and 6 Alternate Delegate positions for each of the 6 Craft Delegate positions.

The Election Committee is in charge of finding an Election Service Provider, securing a post office box for return ballots, working with the Balloting Service to prepare, send, retrieve and count the ballots. The Committee also generally administers the election process and coordinates the mailing of literature from candidates to the membership.

Pursuant to Article IX, Sections 2 & 8, of the Local's Constitution and

By-Laws, the Election Committee is the sole body within Local 44 that may receive and rule upon any objections, challenges or protests that arise throughout the election or that are filed after the ballots are tabulated.

The primary election ballots will be mailed by March 15, 2010, and must be received in the secured post office box selected by the Election Committee no later than 9:00 a.m. on March 31, 2010. The ballots will be sent to the membership by the Election Service Provider and a separate instruction sheet, as well as a pre-printed return envelope, will be included with the ballots.

The Election Committee shall oversee the counting of the ballots by the Election Service Provider and each candidate may have 1 member in good standing of the Local designated as her/his observer to be present at the ballot count.

If no candidate wins election outright in the primary for a contested office (they must receive 50% plus one vote of all qualified votes cast), then there will be a run-off round for those contested positions. The top vote-getters in each primary contest are in the run-off (again, only in the event a candidate does not receive 50% plus one vote of all qualified votes cast). If there is only 1 spot available (such as Business Agent, Secretary-Treasurer, President, etc.) and no candidate receives 50% plus one vote, then the 2 candidates with the highest vote totals compete in the run-off election. In the event no more candidates than open offices are nominated, then the candidates so nominated are deemed elected (For example: if only 1 candidate is nominated for the office of Vice-President; that candidate is automatically deemed elected as the Local's Vice-President for the next term of office per Article IX, Section

3, of the Local's Constitution and By-Laws).

However, if there is more than 1 position at stake (e.g, 3 Property Person Executive Board positions) then any candidate receiving 50% plus one vote in the primary election shall be declared elected and any remaining office(s) where no candidate received 50% plus one vote shall be subject to the run-off election. In that event, then the candidates in the run-off are the candidates with next highest vote totals, plus 1 (For example: In an election for 3 Property Person Executive Board seats, if only 2 candidates achieve 50% plus one vote, the next 2 candidates with the highest vote totals are then in the run-off election for the remaining 1 Property Person Executive Board seat).

Ballots for the run-off election, if any, will be mailed on April 9, 2010, or the closest business day thereto, and must be received at the post office no later than 9:00am on April 30, 2010. If a run-off for any elected office is required, these ballots will also be sent to the membership by the Election Service Provider and a separate instruction sheet, along with a pre-printed return envelope, will be included with the ballots. Any candidate in the run-off election shall also have the right to appoint an observer, who must be a member in good standing, to be present at the ballot count.

A special Executive Board meeting will be called on June 2, 2010, to install all elected officials whether they won in the primary or the run-off elections.

Please consult Article IX of Local 44's Constitution and By-Laws for additional information about the election process. Copies of the Bylaws are available at the Local's Business Office.

There is not enough space here to let you know how important an involved Trustee can be to our local. I feel that over the years I have gained the insight to handle the job of trustee to help keep the Executive Board aware of policy or procedures that affect the fiduciary nature of their position. Trustees seek to keep our Treasury well cared for and our members well served. I hope you will vote to re-elect me to this unpaid post. As a retired member I have the time, energy and experience to give back to this important institution.

## Representatives of the Crafts

The following groupings of candidates are voted on by the members involved in their respective Crafts. Each member will have multiple votes for their Craft Representatives depending on the Craft involved and will have an additional single vote for the Representative Alternate. The following is a list of the Craft Representative positions and the number of votes each member may cast:

Coordinator Representative (**2 votes**)  
Property Representative (**3 votes**)  
Property Master Representative (**2 votes**)  
Propmaker Representative (**3 votes**)  
Set Decorator Representative (**2 votes**)  
Special Effects Representative (**2 votes**)

Additionally, each of the above 6 Crafts has a Representative Alternate. **Members vote for one Alternate from their respective Craft.**

The Representatives are the members' direct conduit to the law-making and oversight of the Local and serve on the Executive Board. The Executive Board is the legal body of the Local and one of the checks and balances of our Constitution and By-Laws. They help create and apply our laws, and on behalf of their members make concerns and desires known to the direct legal agent (the Business Agent) and the financial agent (the Secretary-Treasurer) of the Local. Representatives direct the Local and

make decisions on behalf of their members and have a high fiduciary responsibility.

The Representative Alternates sit in on all Executive Board meetings as observers, but are not allowed to voice or vote on any issues. This changes if the regular Representative is absent from the meeting. At this point the Alternate moves to the Executive Board table and participates and votes just like any other member. As the Alternate has been privileged to hear all issues and the history up to that point, there is no need to "bring them up to speed". The Alternate steps back from the table and reverts to his/her Alternate position when the regular Representative returns.

Delegates vote on behalf of the membership of Local 44 at International and District conventions with delegates of other IATSE Locals. Delegates may be assigned to committees that rule and bring their recommendations to the larger delegation to vote on. Delegates may attend seminars presented at conventions. A Local

44 Delegate is called on to assemble once a year for a District 2 convention and once every 4 years for an International convention.

By virtue of their positions 3 Officers of the whole are also Delegates; they are President, Business Agent, and Secretary-Treasurer.

Alternates attend any convention at which the regular elected Delegate for that Craft is unable to attend.

Thank you for the past two terms as your Property Representative, I hope to continue serving you with honesty and determination and to help preserve our jobs and give us a future we can count on. After serving for two terms, I feel that I have learned a world of information on Union Business and the problems we will face in the near future this is why I am also running for Delegate. I have 30 years of experience in the Motion Picture Industry . I strongly feel I understand all your concerns for New and Old members,

Sincerely , Peter Angles

### **ROMAN SAMOKISH, INCUMBENT**

Hi, I'm Roman. For three years it's been my privilege to serve as 44's delegate—your delegate. You have every right to be proud of your contribution to America's entertainment industry. I submit my candidacy again. What do I offer? In a word, experience. I have been in this tradecraft for 35 years and have "come up through the ranks." My record speaks for itself: your concerns are my concerns. You honor me with this opportunity to address you and I appreciate your attention and consideration of my candidacy. Thank you.

### **PAUL AHRENS, INCUMBENT**

As your Property Master Delegate I have:

- helped secure more production jobs here in California through passage of landmark production incentives legislation
- pushed for entertainment firearms legislation and administrative changes that are pro-worker, pro-jobs, sane, and safe
- represented our craft and all Local 44 members at International and District IATSE Conventions and served on Legislative Committees at the Conventions.

I would be honored once again to have your vote as Property Master Delegate.
