

# IATSE LOCAL 44 GENERAL ELECTION

BALLOTS COUNTED MARCH 31, 2016

VOTER INFORMATION GUIDE

# NOTICE OF ELECTION

In conformance with its Constitution & By-Laws, as well as the Labor Management Reporting and Disclosure Act of 1959, and the Constitution of the IATSE, notice is hereby given that Affiliated Property Craftspersons, Local 44, IATSE, will be conducting its triennial election for officers during the month of March 2016. Pursuant to Article IX of the Local's Constitution & Bylaws, the election process will be overseen by the Local 44 Election Committee.

The offices subject to this election are: President, Vice-President, Business Agent, Secretary-Treasurer, Sergeant-At-Arms, two (2) Representatives each from four (4) Crafts (Coordinators, Prop Masters, Set Decorators, and Special Effects), and three (3) Representatives each from the two Crafts (Property and Propmaker). Additionally, there are three (3) Trustee positions and one (1) Delegate for Conventions of the IATSE from each of the six (6) Crafts that are subject to the election. Those elected to the offices of President, Secretary-Treasurer and Business Agent serve as delegates to Conventions of the IATSE by virtue of their office.

There are also twelve (12) Alternate positions open in this election. There is an Alternate for each of the six (6) Craft Executive Board Representative categories, and six (6) Alternate Delegate positions for each of the six (6) Craft Delegate positions.

The Election Committee is in charge of finding an Election Service Provider, securing a post office box for return ballots, and working with the Balloting Service to prepare, send, retrieve, and count the ballots. The Committee also generally administers the election process and coordinates the mailing of literature from candidates to the membership. Pursuant to Article IX, Sections 2 & 8, of the Local's Constitution

& By-Laws, the Election Committee is the sole body within Local 44 that may receive and rule upon any objections, challenges or protests that arise throughout the election or that are filed after the ballots are tabulated.

**The primary election ballots will be mailed by March 15, 2016, and must be received (not postmarked) in the secured post office box selected by the Election Committee no later than 9:00 a.m. on March 31, 2016.** The ballots will be sent to the membership by the Election Service Provider; a separate instruction sheet, as well as a pre-addressed, postage-paid return envelope, will be included with the ballots.

The Election Committee shall oversee the counting of the ballots by the Election Service Provider and each candidate may have three (3) members in good standing of the Local designated as his/her observer to be present at the ballot count.

If no candidate wins election outright in the primary for a contested office—they must receive 50% plus one vote of all qualified votes cast—then there will be a run-off round for those contested positions. The top vote-getters in each primary contest are in the run-off (again, only in the event that a candidate does not receive 50% plus one vote of all qualified votes cast). If there is only 1 spot available (such as Business Agent, Secretary-Treasurer, President, etc.) and no candidate receives 50% plus one vote, then the two (2) candidates with the highest vote totals will compete in the run-off election.

In the event that no more candidates than open offices are nominated, then the candidates so nominated are deemed elected. For example: if only one candidate is nominated for the office of Vice-President, that candidate is automatically deemed

elected as the Local's Vice-President for the next term of office per Article IX, Section 4, of the Local's Constitution and By-Laws.

However, if there is more than 1 position at stake (e.g., three Property Person Executive Board positions) then any candidate receiving 50% plus one vote in the primary election shall be declared elected; any remaining office(s) where no candidate received 50% plus one vote shall be subject to the run-off election. In such an event, then the candidates in the run-off are the candidates with next highest vote totals, plus one. For example: in an election for three Property Person Executive Board seats, if only two candidates achieve 50% plus one vote, the next two candidates with the highest vote totals are then in the run-off election for the one remaining Property Person Executive Board seat.

Ballots for a run-off election will be mailed on or before Monday, April 11, 2016, and must be received at the post office no later than 9:00am on May 2, 2016. If a run-off for any elected office is required, these ballots will also be sent to the membership by the Election Service Provider; a separate instruction sheet, along with a pre-addressed, postage-paid return envelope, will be included with the ballots. Any candidate in the run-off election shall also have the right to appoint an observer, who must be a member in good standing, to be present at the ballot count.

A special Executive Board meeting will be called on June 1, 2016, to install all elected officials whether they won in the primary or the run-off elections.

Please consult Article IX of Local 44's Constitution and By-Laws for additional information about the election process. Copies of the Constitution and By-Laws are available at the Local's Business Office.

## ELECTION COMMITTEE CERTIFICATION

The statements of every candidate contained in this Voter Information Guide were printed verbatim and were not edited by the Election Committee, except to ensure compliance with the 100-word limit set forth by Article IX, Section 5 of Local 44's Constitution and By-Laws.

Statements made by any candidate express only the views of that candidate, and do not represent the views of Local 44, the International, or the Election Committee.

### ALEXANDER HERNANDEZ

Brothers and Sisters,

My name is Alexander Hernandez. As the son of a Longshoremen, ILA Local 1969, I know the importance of unions.

This is your union. The most powerful thing we have is our numbers.

If given the privilege to represent our craft, I will work hard; keeping in mind the consensus of our craft and do all I can to increase member participation.

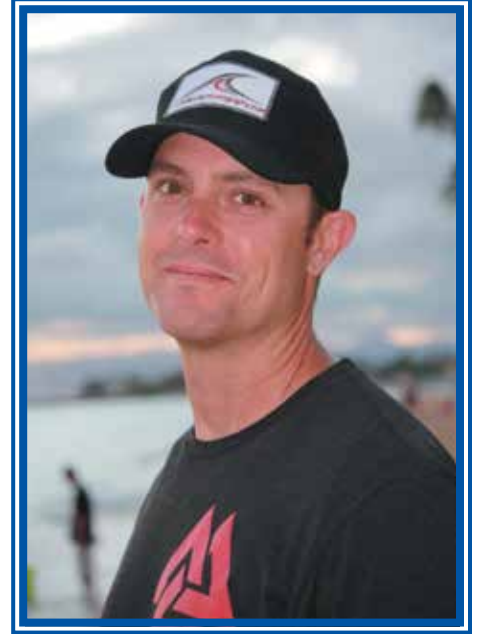

I urge everyone to come to meetings- voice your concerns. Create a dialogue and a consensus. If we have a united membership- we fuel our most valuable asset at our disposal- our numbers.r6

### ERIC HULETT (inc.)

I have had the opportunity to serve as your Craft Representative for three consecutive terms and remain committed to protect our best interests. Many of you know, I am not one to remain quiet and sit idly by as others make decisions that affect our craft. My family history in the film business started in 1925. We have witnessed many victories and challenges along the way. I feel we must remain united in our efforts if we are to experience hard bargained for benefits and compensation for our professionalism. I thank you for your continued support. Fraternaly, Eric Hulett

### RAY SCHREFEL, JR. (inc.)

Dear Brothers and Sisters,

I am seeking your support to represent our Property craft on the Executive Board. I have over sixteen years of service in our department and have been your representative on the Board for the last three years. I look forward to our professions continuing success into the future.

Working at the Universal Property Department for the past nine years has given me the opportunity to get the correct information out with honesty and integrity. I thank you in advance for your continued support.

In Solidarity,

Firearm regulations, food handling requirements, confusing studio rules, rentals, reimbursements and shifting job responsibilities, need our focused attention.

Want to hear from peers about me? Ask Masters: C. Amy, S.Bauer, L.Barker, C.Call, B.Cancienne, D.Cooper, E.Dennis, S.Flynn, L.Hancock, G.Higgins, J.Kelly, R.Massara, I.McAliley, M.Pappac, G.Ramirez, C.Russo, B.Sheldon, J.Stewart, and others about my efforts.

IN 2006 I COMMITTED MY INDUSTRY EXPERTISE TO REPRESENT ALL SET DECORATORS. I CONSIDER IT AN HONOR TO BE A VOICE OF OUR CRAFT. AS OUR CURRENT COMMITTEE WORK HAS SHOWN, THERE IS STILL WORK TO BE DONE TO UNITE SET DECORATORS; TV, FILM & COMMERCIALS, INCLUSIVE. AMONG THE WORK WE NEED TO CONTINUE INCLUDES; BETTER UNDERSTANDING OF OUR CONTRACTS; BETTER LINES OF COMMUNICATION AMONG OUR PEERS; AND BETTER GUIDELINES FOR MENTORING FUTURE SET DECORATORS. I feel very fortunate to have made a living as a set decorator in a business that I love. It was not until I was elected to the E board that I realized a new chapter utilizing my industry experience was ahead. While some of the old challenges we confront remain, I believe with your continued input and activism we can achieve thoughtful and effective change.

I have had the honor of serving on Local 44's Executive Board for The Special Effects craft since 2002. In that time:

Local 44 now operates within an open, balanced budget.

Local 44 was key in obtaining the incentives that are allowing more of our members to be at home with their families.

I have worked to get changes in the basic agreement to make it easier to get reimbursed for our federal, and many other, licenses we must obtain to do our job.

I will continue to do my best in seeing that our craft's interest are represented.
